STOFORD

A landmark **39 acre** employment site featuring up to **four high-quality units** built to support ambitious growth.

Located at Wolverhampton, Stoford Park i54 occupies a highly strategic position in the heart of the UK, adjacent to the M54.

Stoford Park i54 offers excellent connectivity, with immediate access to Junction 2 of the M54, providing links to regional and national markets via the M6, M6 Toll, and A449. The wider i54 business park is an attractively landscaped 300-acre site, boasting a thriving commercial community,

excellent on-site amenities, and close proximity to major rail freight terminals, Birmingham Airport (25 miles), and Manchester Airport (58 miles). This strategic location makes it an ideal base for more than 2,700 employees and supports long-term business growth.

High-quality units ranging from 50,000 - 500,000 sq ft **with space to grow, evolve & succeed.**

Masterplan Option 1.

- | | | | | | | | | | |
|---|------------------------|---|------------------|------------------------------------|-------------------|------------------------------------|------------------------------------|---------------------------------|-----------------------------|
| | | | | | | | | | |
| Clear internal eaves height (up to 15m) | 10 MVA power site wide | Dock level & level access loading doors | 50m+ yard depths | On-site staff wellbeing facilities | Enhanced cladding | Car & HGV parking with EV charging | 50 kN/M ² floor loading | 24/7 Secure site with gatehouse | Staff outdoor amenity space |

An allocated employment site with an outline planning application being submitted in Q4 2026.

Masterplan Option 2.

Where environmental responsibility meets workplace wellbeing.

Stoford Park i54 is designed with sustainability and wellbeing at its core.

Targeting BREEAM 'Excellent' and EPC A, the development features low-energy buildings with reduced carbon emissions, integrating low/zero-carbon technologies, water conservation, and UN SDG-aligned sustainable design for a future-ready workplace.

A well-connected location supporting regional and national growth.
